Dear Business Owner,

My name is Shannon Spencer and I am the new head boys' basketball coach at MacArthur High School. We have a great group of young men, and I am fortunate and excited to work with them.

Our goal is to create an exceptional and successful experience for our players both on and off the court. In doing that, there are various needs throughout the year that require financial assistance. Some of these include entry fees for summer and off-season leagues, travel and food expenses, various equipment, website and Hudl subscriptions, practice gear and game day gear. We also have some boys who may need financial assistance at times.

I would appreciate you considering purchasing a spot on our banner advertising your company. There are multiple options for businesses to donate and most include a business banner which will be hung in our main gym for all sporting events beginning Fall 2026 through Spring of 2027. Additionally, your business will be mentioned at all home boys' basketball games, a company ad (with coupons/discounts) in each home game program, as well as promoted on our boys' basketball website www.macarthurhoops.com. The funds from all donations will be used to support our MacArthur Boys Basketball program.

If a package or banner is not an option for your business, we appreciate all donations of any amount. We hope that you will consider supporting our MacArthur Generals Boys Basketball Program. If you have any questions, please feel free to reach out to me at saspencer@aldineisd.org or at www.macarthurhoops.com.

Thank you,

Coach Shannon Spencer
